STYLE DIRECTION 02

Adjustable and zip-front crop tops

Two sleeveless options balance adjustable shaping with a clean front closure.

01 Halter neckline

The wide neck strap creates an open shoulder line for studio styling.

02 Adjustable side ties

Drawcord ruching controls the side length and changes the hem shape.

03 Front zipper

The high-neck crop tank uses a full centre-front closure.

04 Sculpted fit

Close body shaping keeps both silhouettes compact through the waist.

Four colour and construction directions

The supplied references cover halter and zip-front options in light and dark tones.

GREY ZIP FRONT

Lightweight long-sleeve training tops

A fitted quarter-zip layer and a soft hooded top support warm-up and travel use.

01 Quarter-zip mock neck

The close collar opens at centre front for adjustable coverage.

02 Button-placket hood

The second silhouette combines a soft hood with a short button opening.

03 Extended sleeves

Both styles use long fitted sleeves for training and layering.

04 Close body fit

Shaped side seams keep the tops streamlined without added bulk.
