High-neck cross-back longline yoga tank

A broad-coverage longline tank with contoured front seams and a teardrop back opening.

01 High round neckline

The front sits close to the collarbone for broad coverage through the chest.

02 Contoured front seams

Curved bust and vertical body seams define the fitted longline shape.

03 Longline crop body

The hem finishes near the natural waist for more coverage than a standard bra.

04 Cross-back keyhole

Wide straps cross above a teardrop opening to create the main back detail.

Three colours for the longline yoga tank

The supplied references cover black, lavender and camel.
