CROSSBACK SPORTS BRA

Square scoop neckline
Crossback straps
Longline underband
Adjustable back closure shown

STYLE DIRECTION 02

Longline racerback crop tank

A streamlined active top with a scoop neckline, comfortable body coverage and an open racerback.

01 Longline crop coverage

The hem sits below a standard bra length for easier styling.

02 Racerback construction

A narrow back shape leaves the shoulders open for movement.

03 Clean solid colours

Neutral, cool and brighter shades support a coordinated capsule.

04 Specification control

Confirm cup construction, fabric, support level and size range during development.

Six solid colours for the racerback crop tank

Build a core-and-seasonal assortment, then confirm exact colour standards before sampling.

Crossback longline sports bra

A shaped front with crossing shoulder straps, a broad underband and an adjustable back closure.

01 Crossback straps

Wide straps create a distinct back view and distribute tension.

02 Longline underband

The extended lower edge gives the bra a stable visual base.

03 Back adjustment

The supplied style shows a closure that supports fit adjustment.

04 Support route

Confirm cup type, elastic, fabric weight and intended activity during sampling.

A bright and neutral sports bra assortment

The same crossback construction can move between clean neutrals and more expressive seasonal shades.
