

YINSHAN GARMENT

YOGA & ACTIVWEAR

Custom activewear design directions for private label brands, studios, fitness communities and retail programs.

DESIGN DIRECTION CATALOG

OEM / ODM activewear development

ACTIVE SETS, TRAINING LAYERS & PRINT STORIES

A flexible collection direction built around coordinated bra tops, leggings, bike shorts and lightweight training layers. Each style can be developed in your own colour, print, logo and fit route.

01

COORDINATED SETS

Bra tops, leggings and bike shorts designed as a ready-to-build colour story.

SPORTS BRA + BOTTOM

02

TRAINING LAYERS

Tank tops and long-sleeve training pieces for warm-up, studio and outdoor movement.

LAYERING

03

PRINT DIRECTIONS

All-over graphics, engineered stripes and statement pattern placement.

SUBLIMATION-READY

04

CUSTOM FINISHING

Logo zones, labels, waistband details, packaging and matching accessories.

PRIVATE LABEL

B2B DEVELOPMENT ROUTE

Start from a reference, then define fit, fabric, colours, artwork, logo treatment and packaging for your market.

CLEAN, TECHNICAL & EVERYDAY ACTIVE SETS

Use solid colours, engineered contrast and light layering to create a versatile base range for yoga, gym training and low-impact movement.

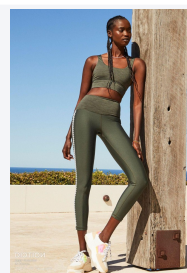

YA-01

Flow Tank & 7/8 Legging

Curved hem tank direction paired with printed stretch leggings.

YOGA LAYER

YA-02

Contrast Side-Stripe Set

Ribbed crop top and high-rise legging with a sport-inspired side

STUDIO TO STREET

YA-03

Run-Training Short Set

Lightweight tank direction with relaxed outer short and fitted inner

TRAINING

YA-04

Raglan Training Layer

Long-sleeve performance top with streamlined full-length bottom.

WARM-UP

SUPPORTIVE TOPS & HIGH-RISE BOTTOMS

Build a performance-led capsule with supportive bra-top shapes, high-rise waistbands, curved seam lines and contrast binding. Adjust coverage and compression to suit your target wearer.

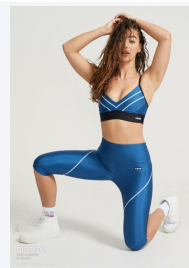

YA-05

Minimal Binding Set

Clean black bra top and legging direction with slim contrast edge

LOW-KEY PERFORMANCE

YA-06

Contour Line Crop Set

Blue crop and 7/8 legging with curved placement lines.

ENGINEERED PANELS

YA-07

Wrap Band Bra Set

Layered elastic-look band direction with high-waist matching bottom.

STUDIO SUPPORT

YA-08

Graphic Back Detail

Colour-block bra back with contrast piping and shaped leg panel detail.

STATEMENT TRIM

PATTERNED SETS FOR A DISTINCTIVE BRAND STORY

All-over print can create a strong seasonal identity across coordinated bra tops, leggings and shorts. Use these directions as a starting point for your own artwork, colour palette and logo placement.

YA-09

Houndstooth Statement Set

Monochrome all-over print for a bold studio and streetwear direction.

GRAPHIC MONO

YA-10

Animal Print Bike Set

Matching bra and bike-short silhouette for training and summer

BIKE SHORT

YA-11

Abstract Spot Set

High-rise full legging set with an energetic animal-inspired print route.

ALL-OVER PRINT

YA-12

Cow Print Active Set

Coordinated bra and legging designed for a strong retail colour

FASHION ACTIVE

PRINT, EMBROIDERY-LOOK DETAILS & SIDE STRIPES

Create a recognisable activewear range with print placement, branded side stripes, drawcord waist details and contrast bindings. These reference directions can be adapted to your own branded artwork.

YA-13

Fluid Graphic Set

Matching crop and 7/8 legging with a bright repeat artwork direction.

STATEMENT PRINT

YA-14

Graphic Bike Short

Statement printed bike short paired with a core black bra top.

STATEMENT PRINT

DISTON

YA-15 TO YA-17

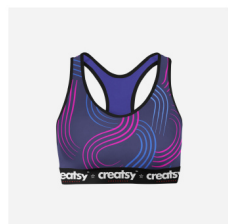

DISTON

SIDE STRIPES, PRINTED SETS & DRAWSTRING DETAIL

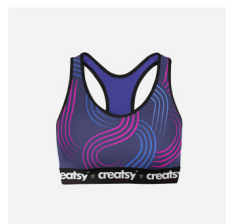

Use contrast tape, branded waistband treatments, floral repeat prints and drawcord details to build a more expressive collection tier.

CUSTOM PRINT DIRECTIONS FOR MATCHING SETS

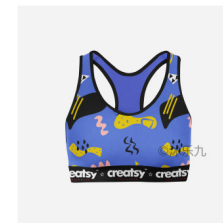

A matching bra top and leggings program is a strong canvas for all-over sublimation graphics. Artwork, colour, waistband wording and branding can be adjusted for your collection.

FROM REFERENCE STYLE TO PRIVATE LABEL COLLECTION

Yinshan supports OEM / ODM activewear development for brands and buyer programs. Select the product route, then build the fit, fabric, colour, branding and packaging around your market needs.

1. STYLE & FIT

- Bra top, tank, legging or bike short
- Length and coverage adjustment
- High-rise waistband and pocket options
- Matching set planning

2. FABRIC & COLOUR

- Polyester spandex fabric route
- Stretch and comfort priorities
- Brand colour matching
- All-over print or contrast panels

3. BRANDING & PACKING

- Sublimation, screen print or heat transfer
- Woven and printed labels
- Hangtags and custom packaging
- Sample development and bulk production

SEND YOUR BRIEF

Share your logo, reference style, preferred fabric, colour, size chart, quantity and packaging request. Our team can help develop a custom activewear solution.
